## Dragon Pharma

DRAGON PHARMA is an American manufacturer of extreme sports nutrition. The main direction of the company is the production of designer steroids and SARM preparations for professional athletes. Products are created exclusively for people who want to achieve serious success in competitive sports. This opposite nutrition is not intended for amateurs and ordinary visitors to gyms.

### Products

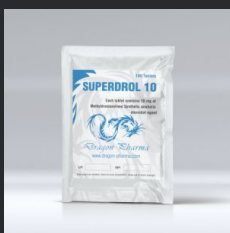

The DRAGON PHARMA team has been working for a long time in the sports nutrition industry, most of the innovations are aimed at the development and development of prohormones and SARMS (selective androgen receptor modulators). All products pass strict quality control, for example, such as: [EQ](#), [Deca](#), [Sustanon](#), [Trenbolone](#).

### Researchers

At DRAGON PHARMA, scientists and researchers work who, using modern scientific knowledge with a combination of world-class equipment, while maintaining pharmaceutical quality standards, are developing new formulas for drugs.
